Teach your dog some fun and useful tricks to show off to your friends or to win a talent contest. By teaching your dog tricks, you will develop better communication with your dog so other behaviors can be learned easier. You and your dog will learn 3 to 4 new tricks in each class.

### **Two weeks of K-9 Freestyle:**

K-9 Freestyle is a fun sport where you teach your dog spins, weaves, circles, and other moves then put them together with music. It is a great way to bond with your dog and learn some new skills. Dogs absolutely LOVE this sport!!

### **Two weeks of Rally-O:**

Rally Obedience is a fun team sport for you and your dog. You go through a course with your dog that has numbered signs indicating different exercises to perform such as sit-down-sit, figure 8, or left about turn.
