Fur the Love of Dogs Inc. is a facility open to the canine community to provide a clean, safe, and stimulating social environment for dogs. To ensure the well-being and comfort of your pet and our other guests, we kindly ask that these rules and regulations are followed.

-  All dogs must have up to date vaccinations. Owners must submit written proof of **Distemper/parvovirus (DHLLP), Rabies and Bordetella**. There must be a **three-day grace period** from the time these vaccinations are administered by a Vet and the day your pet enters our facility. (Rabies is required for puppies over 4 months of age)
-  We do NOT require Canine Influenza Vaccine. If your veterinarian recommends this vaccine your pet must wait 1 week after first inoculation. (or 1 week after the last shot of the two shot series)
-  We recommend that all dogs must be on heartworm medication and flea & tick prevention year round. You and your veterinarian will be responsible for this application and monitoring. (we do sell Flea & Tick for \$20.00 per application)
-  All dogs must be in good health upon admission and free from any condition which could potentially jeopardize other guests. Owners will certify their dog(s) are in good health and have not been ill with a communicable condition in the last 30 days. Dogs that have been ill with a communicable condition in the last 30 days will require a veterinarian release of health to be admitted or re-admitted.
